Graduation year: -2019

Graduation project: -Design and Manufacturing of A4axis Horizontal CNC Milling machine.

Grade average: - very good

project:

I worked with prof.Dr Ahmed ElQiran

to Design and Manufacturing of A4axis Horizontal CNC Milling machine.

A class of excellence in the graduation project, the first level of the Faculty of Engineering Mansoura University.

EXPERIENCE:

1-Damietta University,
Faculty of Engineering,
(2019-2021)
2-Higher Institute Of Engineering
and Technology
In New Damietta
(2019-present)

Responsible Courses :

1-Engineering Drawing.
2- Mechanics (1).
3- Mechanics (2).
4-Engineering Economy.
5-Production Engineering.

CONTRIBUTION TO THE QUALITY OF EDUCATION

- 1-Course file.
- 2- Course report.
- 3-Exam ILO'S.
- 4-Course description.
- 5-Program description.
- 6-Course statistic.
- 7-Observation Matrix.
- 8-Internal audit report.
- 9-Statistics Matrix

Training

- **Showman (plastic) Factory in New Damietta.**
(2/7/2017 12/7/2017)
- **AKL Auto Feeding Industires .**
(2/8/2018 12/8/2018)

Courses:

- **Solid works**

after passing this course I'm good at designing parts of machines.
making some simple molds and using sheet metal features in
Solid works.

- **Ansys**

- **Abaqus**

Personal information

Marital status: Married

Gender: Female

Nationality: Egyptian
